Family Owned & Operated | SINCE 1990

Over 74 years ago, Sal's grandparents came to America and all they had when they arrived was a strong work ethic and an old family recipe for Sicilian style pizza. It wasn't long before their Revere Beach pizza stand earned a reputation for flavor, freshness and very generous portions.

Sal's heritage and strong family history led him to work in the Italian kitchens of Boston's North End where he perfected his craft.

Now, the authentic family recipe is available in all of our retail stores.
